

The Children's International Learning Centre(CILC) Presents...

Imagine you live in a place where natural resources and climate determine the type of home you would have.

The Global Play Room

The CILC has designed four small homes representing traditional lifestyles in a variety of climates. The Homes are outfitted with housekeeping equipment, food and dress up fabric.

- Use of circle, dramatic, creative and gross motor activities
- Learn to treat friends fairly and share resources
- Learn to help each other and problem solve
- See similarities and celebrate differences

Reinforces the learning Expectations of JK/SK curriculum

Play homes simulate:

*Stone/ Brick

*Wood

*Thatch/Leaf

*Mud
