Festivals of Light (\$6.00/student)

Programme Run: November 3, 2015 - January 30, 2016
Open House & Bake Sale: October 27, 2015 (12:30-6:00pm)

Celebrated locally in our communities and in neighbourhoods around the world are many celebrations which use light. This programme gives each participant the opportunity to discover many traditions such as: Iroquois Mid-Winter Ceremony, Christmas, Hanukkah, Kwanzaa, Diwali and more!

Programmes Available January through September

Admissions: \$4.50/student

Orbit the Earth (grade 1-7)

An engaging, hands-on, planetarium-like programme that enables exploration of parts of our solar system including the moon, the stars, and planets. Earth's unique significance to all living things will also be explored. (Excellent for grade 6 curriculum and Guiding Astronomy badge).

The Global Playroom (1 1/2 hour programme for ECE and primary children ages 3 - 5)

Through play acting in homes representing traditional lifestyles in a variety of climates, our youngest participants will learn that all people share the same basic needs: food, water, love, and of course a home to live in.
